**Due to a limited supply of vaccine, these clinics are open only to the following priority groups:**

- **Pregnant Women**
- **Those living with or regularly caring for an infant less than 6 months old**
- **Children/adults 6 months - 24 years WITH OR WITHOUT a medical condition**
- **Adult 25-64 years WITH chronic medical conditions**
- **Healthcare Provider**
- **Civil Service Worker: Firefighter, EMS, Law, Correction Officer**

Please bring the [Authorization for H1N1 Vaccine](#) form with you to the vaccination clinic. This form is to be completed at your physician's office and is necessary to identify you in one of the priority groups.

This form is available on our website at [www.tamacounty.org](http://www.tamacounty.org) – (click on Public Health & Home Care) or at Tama County physician's offices.
